Everyone knows that they should love the Lord with all their heart, mind and soul and to love their neighbor as themselves. There's only one problem and that is no body does it. Imagine treating your neighbor as you treat yourself. I am sure, like me , you pamper yourself and make sure everything is comfortable for your self and then, maybe you can think of your neighbor. With the Lord, perhaps you think you love Him but do you really put Him ahead of money, phone, laptop, social media, job, family and so on? I doubt it. It seems absolutely impossible to love Him above everything. So where do we start? Well, the first point about this is that God has loved you more than anything in the world. He gave his most prized possession up for you to save you. He continues to bless you in your life. He never stops being at your side, taking care of you and so forth. So the first step in loving the Lord is to see how much He loves you and not just in a sentimental fashion but in the facts of your life. Often you take for granted the good things the Lord gives you, such as family, marriage, children or just the comforts he gives you in your difficulties and sufferings and so you fail to see His love. Finally, Jesus comes to die on a cross to forgive all your sins, present and past. The unending mercy of the Lord for you. If the Lord grants us the grace to receive His love and mercy then we can begin to reciprocate and start to love the Lord because He has loved you completely. May the Lord grant us this grace.
