

## HFA College Building is coming soon!

Holy Family Academy started an exciting new journey last year when it partnered with St. Thomas University in Miami to offer students a path to earning a college degree while remaining on the island. The students who participated in the program last year will continue studying full-time toward their college degree.

Our next goal for these students is to give them a dedicated place to study by extending our campus with a new building on the church grounds. We are only able to achieve this goal through the grace of God and through your continued generosity. A donation to help in the college building construction is not only an investment in their future but an investment in the continued growth of these beautiful islands.

We thank you in advance for your support, and God bless.

Fr. Orlando González.

In Today's Gospel Jesus sticks his fingers into a deaf and mute man's ears, and spits on his tongue. Kind of disgusting really, but none the less it works and the man is healed. At times the Lord allows you to suffer in order to heal you. This is because you do not want to listen to what He is telling you and stubborn people that we are, He has to use suffering and discomfort to wake you up. Deep down your problem is not listening either to the Lord or what others try to tell you, because you know better and that's why suffering comes your way to show you that you are not in charge. What a very effective tool it is. It can get you to go down on your knees and beg the Lord for help. Thus, it also helps you to become humble and to begin to listen, first of all to Jesus Christ but secondly to those around you as well. There is a second reason why you don't want to listen and that is that you are not open to the will of God. In fact, the thought of doing the will of the Lord makes you afraid because, perhaps God will ask you to do something you just do not want to do and then, what can He do? He sends you difficult situations so that you begin to rely on Him and begin to see that He really is God and is a loving Father.

May the Lord grant us all the grace to listen to His voice and be open to His will, trusting that it will lead us to happiness and fulfillment.

Fr. Paul
